Voters of Dallas County,

As the Chief of Police in Van Meter, I would like to take a moment to recommend Chad Leonard back to the position of Sheriff of Dallas County. I have known Chad Since 2007 when I began riding with the Sheriff's Office as an observer. I quickly found Chad's leadership to be well respected in his office and as well as in the communities he serves.

I know Chad to have very high moral, ethical and spiritual character which will continue to benefit the people of Dallas County. Chad has implemented a Reserve Deputy Unit within the Sheriff's Office and as a member of this Reserve Unit as well as citizen of Dallas County I am grateful for this responsibility he has accepted.

I am very confident Chad will continue to lead the Sheriff's Office to a higher standard. I have asked Chad and the Sheriff's Office for assistance with calls and cases on many occasions and he has always been there never expecting anything in return. Chad often is the first to offer a helping hand or ear to listen when needed.

I call Chad not only a leader and colleague, but also I am proud to call him a friend. These are just a few examples of why I offer very high recommendation that Chad Leonard again be voted Sheriff of Dallas County.

Thank You,
