

February, 2012

To: Voters of Dallas County

Re-elect Dallas County Sheriff Chad Leonard

The Mayors of Dallas County support the re-election of Sheriff Chad Leonard. In the time that Sheriff Leonard has served our County, he has restored integrity and trust in the office, increased department morale and serves as a role model to law enforcement agencies throughout the state.

Sheriff Leonard:

- Is approachable and proactive in improving law enforcement throughout the county as well as coordinating efforts with our Cities. He is not an administrator. He actively leads by example and is an inspiration to his staff.
- Is fiscally conservative and has earned the respect and support of the Dallas County Board of Supervisors.
- Goes beyond the duties required of the Sheriff's office and actively promotes and participates in efforts to demonstrate and train young adults in citizenship.
- Cooperates with local law enforcement agencies and makes available the resources of his office to support local law enforcement financially, through training opportunities and through cooperative efforts.

We are proud to provide our support and encouragement to all voters of Dallas County to join us in our efforts to Re-Elect Dallas County Sheriff Chad Leonard.

Sincerely – Mayors of Dallas County:

Jim Peters
