

February 12, 2012

I have been with the Waukee fire department for over twenty years. In that time I have worked with Sheriff Leonard when he was a road Deputy and as the Sheriff.

Sheriff Leonard is open to new ideas on how best to serve the citizens of the fastest growing county in the state of Iowa.

Sheriff Leonard has been very helpful in coordinating the efforts of many city and county organizations and as a longtime resident, he understand the needs of County law enforcement.

I have worked with Sheriff Leonard on several commissions, including Dallas County Emergency Management and Dallas County 911. I have also worked with him on several community projects such as Shop with a Cop and the Character Building Academy, not to mention many on-scene emergency responses.

In addition to the activities above, I also had the honor of being in the first recruit class of the Dallas County Reserve Deputy program.

Please join me in supporting Sheriff Leonard in his reelection as Sheriff!
